Dear Mr Mathieson Jnr,

Thank you for your letter of 24 June regarding Villa Noosa.

I would like to accept your offer to supply additional information.

In your letter you state that your Company does "*not expect an increase in risk of violence or impact on resident amenity from the later closing hours.*" Similar and additional views are also expressed in the Standard Public Interest Submission attached to your Application.

Could you please send to me a copy of the research and evidence that shows that extending trading hours does not lead to an increase in the risk of violence; accidents; damage to property; loss of amenity etc.

As you are replying on behalf of Mr Luscombe I would also appreciate confirmation that the Board of Woolworths Limited is in agreement with the Application to extend trading hours to 5 AM each day.

Regards

Dear Mr Trevithick,

Thank you for your email dated July 2, 2009.

We are mindful of the concerns of the local community in relation to our application to extend the trading hours at the Villa Noosa Hotel.

There is a formal process to determine the outcome of this application and as part of this process ALH will be represented at a public forum to discuss community concerns.

Yours Sincerely,
