**DRY BLOCKS**  
**Stage 4 Part (Lots 63-67, 69-72, 174-185 & 738-739)**  
**(Low Density)**

This Deed made this \_\_\_\_\_ day of \_\_\_\_\_ 19-- --

BETWEEN Noosa Waters Pty Ltd, a Company duly incorporated in the State of Queensland (hereinafter together with its successors and permitted assigns, caged the Seller') AND

AS PURCHASER/S (hereinafter together with their executors, administrators or successors in title called the Buyer'.)

WHEREAS the Buyer acknowledges and agrees with the Seller that the subject land is part of a large development the object of which is to establish a modern and well designed residential estate and it is desirable that supervision and control be exercised by the Seller for the protection and in the interest of the Buyer in relation to the nature and type of construction to be erected in the project which includes the subject property and in recognition of the desirability of the construction of a sound, modern and attractive development throughout the area, the Buyer agrees with the developer in the terms hereinafter appearing.

1. BUILDING DESIGN

- a) **Plan Approval:** All structures must conform with relevant site and local legislation. Plans must be submitted to the developer for design approval prior to construction. The developer has the right to reject whole or parts of plans if they infringe on the well being of the estate as a whole or are not in keeping with the spirit of the covenants stated below. The plans are required to be submitted to the developer for approval and shall include building application plans, landscape plans and colour schemes.
- b) **Building Colours:** Colours that clash with the surrounding colour schemes, eg. bright pastel colours, particularly orange and yellow shall be prohibited as the primary colour of any structure. They may be used as trim as long as they do not cover more than 10% of any structure.
- c) **Building Orientation:** Limit building off the desirable orientation of the block as it decreases the amenity of the surrounding blocks.
- d) **The Queensland Climate:** The house design must respect the Queensland climate with the provision of eaves and/or other shading amenity devices,
- e) **The Noosa Character:** The house design must reflect the lifestyle of Noosa, ie. the external style present is an open housing style in 'light' materials with significant areas of glass and windows for light and ventilation.
- f) **Eaves, Roof Structures and Pitches:** All houses must have a minimum eaves overhang of 800mm to at least 75% of the external wall. The roof line shall be expressed. Mechanical plants, excluding solar hot water systems, shall not be placed on the roof unless they can be visually screened from all directions.

2. BUILDING MATERIALS

- a) **Roof Materials: Permitted Materials** - only colorbond, corrugated roofs of clay, terracotta or concrete tiles with a uniform finish. Colorbond non standard (ie. to local corrugated pattern) roofing materials are prohibited.
- b) The roof must have an expressed roof line terminating at a fascia above an eave. Flat hidden roofs behind raised fascias are prohibited.
- c) **Prohibited Roof Colours:** Blue, tones of yellow, galvanized, silver, or any colours that do not blend into the surrounding colour schemes.
- d) The external house walls should be constructed of either brick with a maximum of 10% timber excluding any composite or constructed boards. Rendered or bagged brickwork, blockwork or concrete is also acceptable. Unfinished brickwork is prohibited to any external surface.
- e) The use of glass with reflective glazing shall be limited to a maximum of 10% of the external wall surface area.

3. BUILDING LOCATION AND SIZE

- a) **Minimum House Size:** The minimum house size (internal living area) excluding garage, shall exceed 158 (one hundred and fifty eight) square metres. However, where permission is sought for a multiple dwelling or duplex (two units) the floor area shall be in excess of 84 square metres per unit excluding garages.
- b) **Maximum House Height:** No house shall exceed two storeys in height. The maximum height to top of roof shall be 8.0 metres measured from the front of the block.
- c) **Minimum House Setbacks:** Housing setbacks must conform to the building act.

4. OTHER STRUCTURES

- a) Zincalume garden sheds shall be prohibited.

NOOSA WATERS ESTATE DEVELOPMENT RULES  
DRY BLOCKS  
Stage 4 Part (Lots 63-67, 69-72, 174-185 & 738-739)  
(Low Density)

- b) Pergolas and Greenhouses: These structures shall blend into the architectural style of the house and shall not be located within 1.5 metres of any boundary.
- c) Cabanas: Out structures such as cabanas and gazebos shall not exceed 105 (one hundred and *five*) square metres in size, They shall be bulk of the same materials and design format as the house. They shall not be located within 1.5 metres of any boundary.
- d) TV/Radio Aerials: All external aerials are prohibited. The estate is serviced by an underground system linked to a substantial tower supported aerial and satellite dish. A current connection fee of \$550.00 is payable to Noosa Waters and a current 530.00 per year maintenance fee will apply for connection to dwellings and the Buyer will be required to enter into the necessary agreement prior to connection. In the case of multiple units or duplexes, a connection fee of \$400.00 applies with a \$30.00 per year maintenance fee. Buyers should ensure that builders of units or duplexes provide individual TV cabling to the front footpath pillar box for each unit constructed. Such cabling should be numbered to coincide with the unit number for easier connection by Noosa Waters as the fees are paid.
- e) Carports: Carports not built as part of the house are prohibited. Each house shall contain a minimum of one lock -up garage as part of the house or each unit shall contain a minimum of one lock -up garage as part of the unit or attached thereto.

5. FENCING

- a) Side Fencing Extents: Side fences shall not exceed beyond 6.0 metres from the road frontage excepting where they connect with a front fence. Short fences between the house and the side fence are encouraged to give privacy to the backyard.
- b) Fencing Heights: No fencing to front alignment shall exceed 1.0 metre in height.
- c) Fencing Materials: Fences shall be constructed of treated timber, brick or bagged/rendered blockwork. Pool fences must comply with the proposed new fencing legislation.

6. DRIVEWAYS

- a) Materials: All driveways must be paved or sealed with an approved material such as exposed or coloured concrete, concrete or clay paving units or other material submitted for approval.
- b) Maximum Extent: The maximum width of the kerb crossing shall be 3.0 metres at the property boundary. Only one driveway per street frontage per lot is permitted. The driveway must be constructed as one complete unit, not as tracks.
- c) Alignment and Location: Any driveways must be located in a row 1.5 to 7.0 metres from any side boundary only. They must cross the footpath at 90 degrees to the kerb, excluding court lots.
- d) House Entry Paths: The maximum width of any entry to a house is 1.5 metres. it must be constructed of a similar material to the driveway and must not extend beyond the property boundary.

7. STREETSCAPE ITEMS

- a) Letterboxes: Small timber letterboxes on a single timber post are prohibited. The letterbox shall be located as part of a feature to the front boundary of the lot.
- b) House Numbering: Numbering must be placed on the letterbox structure and the kerb. House numbering shall not be affixed to the house.
- c) House Naming: House naming shall not be allowed at street frontage. All house naming shall be affixed to the house.

8. LANDSCAPE REQUIREMENTS

- a) Front of House Planting: The front of the house must be completely turfed or gardened (excluding driveways and footpaths) within 30 days of occupying the house.
- b) Lighting of External Areas: Lighting to external areas should use reflective lighting off vegetation rather than spotlighting. Light leakage shall not exceed specified levels to adjacent properties.
- c) Pool Location: Pools shall be located so that noise generated by users and equipment does not disturb neighbouring houses.
- d) Canopy Recreation: To give the estate a horizon of trees rather than roofs, a minimum of four canopy trees must be planted within the lot.
- e) Footpath Planting: No additional planting is allowed on the footpath.

9. GENERAL COVENANTS

- a) Parking Cars, Boats and Caravans on Lots: Only one vehicle shall be allowed to be permanently parked within an allotment, excluding garage vehicles. Parking of one boat or caravan is allowed within a screened enclosure not contained in the front yard.
- b) Temporary Accommodation: No temporary accommodation to be used at all (including caravans).
- c) No sheds to be erected prior to completion of house.

NOOSA WATERS ESTATE DEVELOPMENT RULES  
DRY BLOCKS  
Stage 4 Part (Lots 63-67, 69-72, 174-185 & 738-739)  
(Low Density)

- d) No removal homes or second hand materials to be used.
- e) Upon resale of properties ONE only 'For Sale' sign erected.
- f) No business or cottage industries to be run from the estate.
- g) All work vehicles (including utilities) must be garaged, not parked in the open.
- h) Dog owners must ensure their properties are securely fenced prior to taking occupancy. Any dogs found roaming the estate will be reported to Council.

10. MAINTENANCE

- a) Any vacant allotment must be maintained to ensure a maximum grass height of 200mm and in general keeping with the overall maintenance of the estate. The Buyer hereby covenants with the developer that they will accept responsibility for this maintenance if it is required to be carried out by the developer.

11. SALE OR DISPOSITION

- a) In the event of the Buyer selling the subject lot then the Buyer shall require the purchaser from him and any subsequent purchasers to enter into a contract to be bound by the Community Development Rules existing at the time of the sale by the purchaser or any subsequent purchaser. The Buyer further acknowledges that he may be liable in damages to the Seller and/or adjoining Buyers in the event of his failing to observe the Community Development Rules and to comply with the provisions of this clause.

12. SELLERS RIGHT TO VARY OR EXCLUDE ANY RULES

- a) The Seller reserves the right at the request of the Buyer or at its own instigation to vary or exclude any of the obligations under the Deed provided that such action will only be taken in keeping with the aims to establish a modern, well designed residential estate. The Buyer hereby absolves the Seller from any liability whatsoever for any action taken in the variation or exclusion from any Deed. The Seller acknowledges that new products designed as substitutes for the above materials will be marketed from time to time and provided these products, in its opinion are not inconsistent with the aims of the community, they will be acceptable.

13. NO MERGER

- a) The parties hereby agree that the provisions of this Deed will not merge on the conveyance herein.

14. DAMAGES UPON BREACH

- a) Upon breach of any of these rules the Buyer and/or his successors in title shall on demand pay to the Seller by way of liquidated damages and not by way of penalty the sum of \$20,000.00 and provided further that in the event of the Buyer selling the said land prior to a dwelling house being erected the Buyer will require the person to whom the said land is sold to execute a covenant in similar terms to this condition whereby liquidated damages in the sum of \$20,000.00 are payable direct to the Seller upon breach of the said rules by the person to whom this land is sold.
