

4 April 2008

Dear Resident

I'm writing to advise you on behalf of Seymour Group that site clearing work will commence shortly on our new Noosa residential project which has been approved by Noosa Shire Council. Entry to the site will be via Eenie Creek Road.

Our company is a developer of quality projects and we have a long and very proud history spanning four decades in south-east Queensland.

We are very conscious of our responsibility to minimise any disruption or inconvenience that this work may cause.

I wanted to write to assure you that we will take every possible step to ensure that this initial work is undertaken in a timely and professional manner, with minimal disruption.

We have appointed Community Consultation Managers to assist with the communication of the existing project and Patrick McGuire and Melody File from Marketplace are on hand to address any issues that may arise.

Please do not hesitate to contact them on 07 3358 4777.

Let me assure you of our commitment to make this project something that Noosa will be proud of.

Kind regards

SEYMOUR GROUP PTY LTD
